LOUISVILLE AGENCY

NEW YORK

New York Life Insurance Co., 1 nent at the ome of Web. 5. Verhon, in the city of Louisvillo, ky. October 6th, 1858, the following was annulmously adopted:

The undersigned, President and Directors of the loungany, have evansined the Report and Exhibit of the New York Life Insurance Company for the halt year endlog July 181, 1858, and, being satisfied with its propersons concition, cord-ally recommend it to the encouragement and support of the community.

To New York Life Insurance Company has been in existence I parteen years. Its capital has attained the sum of \$1,500,000, invested in State Stocks, Bonde, and Mortgaues on Real Estate.

We think it a most safe and profitable mode of investing money. The profits innure to the benefit of the insurer, and have averaged not less than 30 per cent, per annum on the premium paid.

Pes dos these levestimens in stocks, &c., the law of New York requires, as additional security, that \$100,00 alors any lawful demands which the Company may fail to pay.

We luytle attention to the nature, chiects, and ad-

wo hivite attention to the nature, c bjects, and ad-antages of Life Insurance, as set forth by this instinilou.
If will be seen, by the above statement, that this If will be seen, by the above statement, that this If the state of the subject of Life Insurnece would do well to call on the Local Agent of the bove Company, who will give them any information

Jeffersonville Railroad. On and after Monday, July 12, 1858, trains

Close connections made by the 10:50 A. M. and 10 p. m. trains at Seymour, with trains on the Ohio and Mississippi R. R., for St. Louis, Mound City, Cairo, Jefferson City, Kansas, Quincy, and Keokuk.

The 6:30 A. m. and 10 p. m. trains run

ette, Peru, Bellefontaine, and Indiana Central Railroads, for all the principal cities in the East, West, and North.
The 6:30 a. m., 10:50 a. m. and 10 p. m. trains connect at Seymour with trains on the

Ohio and Mississippi Railroad for Cincinnati. The 10 P. M. train on Saturdays only goes to Seymour, where connections are made for Cincinnati and St. Louis. One train on Sunday, at 10 P. M., running

through to Indianapolie, connecting at Sey-mour lor St. Louis and Cairo, also Cincinnati and the East, and at Indianapolis for the principal cities East, West, and North.

Baggage checked to all the principal cities. All changes of cars made by trains running into the same depots, thereby avoiding annoying Omnibus rides incidental to other routes leading from Louisville to the West and North-Time as quick and fare as low as by any other route.

Through tickets and further information given at the Company's Office, No. 527 southeast conner of Main and Third streets, Louisville, Ky, or at the depot in Jefferson dtf

"WHAT MAKES GREAT CITIES?"-The ques tion is often asked why it is that such and such a town is improving so very rapidly in point of wealth, position, population, &c. The question is easily answered, and should strike every to toce, and with force. Manufactories to the control of t at once, and with force. Manufactories built up and sustained; citizens generally built up and sustained; citizens generally may be promised at the music ctores and of the single control of the sing co-operate with each other; a spirit of enterprise is stimulated; there are no jeulousies or bickerings; merchants and business endeaver bickerings; merchants and business endeaver to give satisfaction in all of their transactions; trade flows to them from every section, and, flock to that point.

How is it here in Louisville ? You will find one merchant jealous of the encess of his neighbor; the public prints cry down the town; misrepresentation is abroad in the land in regard to her position, government, credit, &c. and everything seems to be against her advancement, except J. M. Armstrong, the great clothing dealer, corner of Fourth and Main streets. He is doing all he can to sustain her reputation, and give credit to her citizens, and with proper encouragement, will bring her out

LADIES' EVENING DRESS GOODS -Silk Robes in all colors, Illusion, Lace, Crape, and Tarlton Robes. Ladies desiring the latest styles of dress goods of every discription, will find at the store of G. B. TABB, corner of Fourth and Market streets, an assortment-in point of other house in the city. He has just received, by express, a few elegant Siik Robes, in double ON THURSDAY EVENING, OCT. Jupes, two Volantes and Robe a Les. Also, a choice assortment of Velvet and Cloth Cloaks. A large stock of domestic goods of every discription at the lowest market prices.

Bublington, Oct. 20.—Returns of lowa received from all but nine counties. First District—Curtiss, Republican, for Congress, has a majority of 1,421. Second District, as far as heard from Vandever Republican, 3,314 majority. The Dubuque Times claims the election of the State ticket by 5,000 majority.

IP The great novelty in the theatrical world is a French resuccitation of the famous Greek play of Sophecles—the Elipus Tyrannus. At hist there were some doubts whether it could effect any permanent hold on the Patis public, but, to the surprise of the critics, it seems visibly to increase in attraction. The novelty of a drema played some 500) years before the Christian eta, the lascinations it passesses for the scholar, and for many who, without attain ing that title, have still the associations of school life, all find a sympathy in a highly edu-
